Table 1

Priority	Music Title	Length	Format	Genre/Style	Comments	
Necessary	Credits	3-5 minutes	OGG preferred, MP3 works	Anything works! Have fun!	Honestly, I don't mind what you choose here! I often just put some random favorite music.	
Necessary	Default World	2-3 minutes	OGG preferred, MP3 works	Puzzle-y or optimistic mystery. Compared to other world music, more basic.	This is the music that plays by default when entering the game world.	
Greatly Enhances Game	Green World	2-3 minutes	OGG preferred, MP3 works	Puzzle-y, slightly grim as the color would imply.	Remix of Default World music. Must have the same cues and length as Default World.	
Greatly Enhances Game	Purple World	2-3 minutes	OGG preferred, MP3 works	Puzzle-y, slightly calmer as the color would imply.	Remix of Default World music. Must have the same cues and length as Default World.	
Greatly Enhances Game	Orange World	2-3 minutes	OGG preferred, MP3 works	Puzzle-y, somewhat more agitated as the color would imply.	Remix of Default World music. Must have the same cues and length as Default World.	
Would Be Nice	Menu Music	1-3 minutes	OGG preferred, MP3 works	Calm music. Good introduction to the game.	Can be short, since I don't expect the player to hang around the menu for very long.
